A Collection *of* Units *for* Every Lifestyle

Bab Al Qasr Garden Residence 65 offers a wide selection of units, ranging from unique one-bedroom units to spacious five-bedroom sky villas. The project includes simplex, duplex, and triplex sky villa layouts, giving residents the flexibility to choose a unit that suits their lifestyle, family size, and daily needs.

Each unit is thoughtfully designed to provide comfort, privacy, and practical living. Maid's room and laundry room are included across all units, adding convenience to everyday life. For the larger duplex and triplex sky villas, private elevators enhance the sense of exclusivity and make movement between floors easier and more comfortable.

This diverse unit mix allows the project to serve different lifestyles, from individuals and young couples to growing families and those seeking larger, villa-style living within a refined residential project.

THE ONE BEDROOM COLLECTION

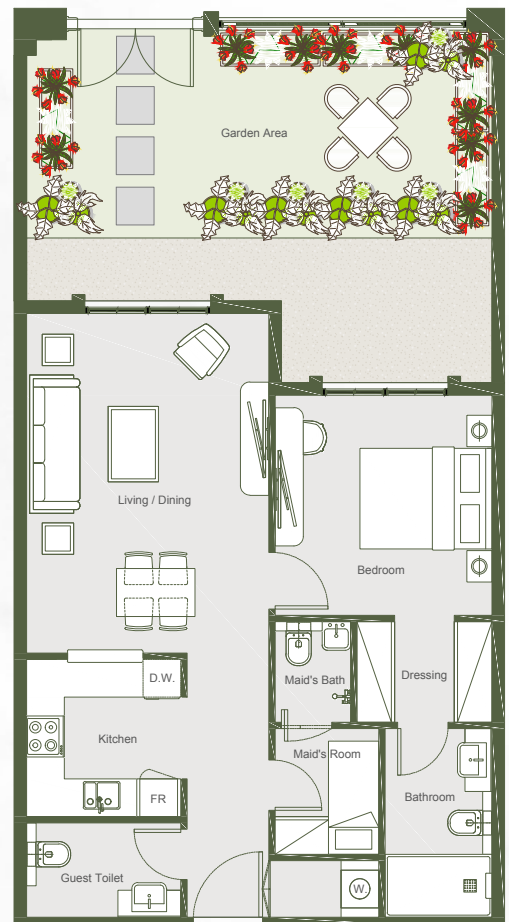

Signature One-Bedroom

*Unique One-Bedroom Units with
Private Garden*

The unique one-bedroom units at Bab Al Qasr Garden Residence 65 are located on the ground floor and offer a rare garden-living experience. Each unit opens onto a large private garden, creating an extended outdoor area for relaxation, dining, and everyday enjoyment.

The layout is designed to feel comfortable, and practical. The unit includes a living area, a master bedroom with a dedicated dressing room, a maid's room with its own bathroom, a laundry room, and a guest toilet. This thoughtful design gives the one-bedroom units the comfort and functionality, making them an ideal choice for residents who value privacy, outdoor space, and everyday convenience.

For the first time in Masdar City, private gardens are available with both one-bedroom and selected two-bedroom units, offering a unique lifestyle that combines the convenience of apartment living with the privacy of a garden home.

Elegance, *Ready to Live in*

The interiors of Bab Al Qasr Garden Residence 65 are inspired by a refined European countryside style, combining timeless elegance with modern touch, marble finishes, warm design details, soft color palettes, and natural lighting to create a welcoming living environment.

Each unit is designed to feel elegant, comfortable, ready for everyday life and fully furnished with premium global brands.

Every home is thoughtfully prepared for a seamless living experience.

THE LANDSCAPE

A Landscape Designed *for* Life

The landscape at Bab Al Qasr Garden Residence 65 is designed as the heart of the project, with 67% of the plot dedicated to gardens, water features, and outdoor living spaces that create a natural connection between water, greenery, and everyday life.

A 275-metre-long paddle canal and a 360-metre jogging track form key features of the residential project, adding movement, beauty, wellness, and a unique leisure experience. Throughout the residential project, swimming pools, sun decks, bridges, sports courts, and landscaped gardens create spaces for relaxation, leisure, and social interaction.

Every outdoor area is planned to support a balanced lifestyle, from quiet moments by the water to active time with family and friends. Together, these elements create a vibrant residential setting where nature, wellness, and community living come together.
